

CSE PARTNERSHIP PROSPECTUS

 **Council of Science Editors**
2026 ANNUAL MEETING

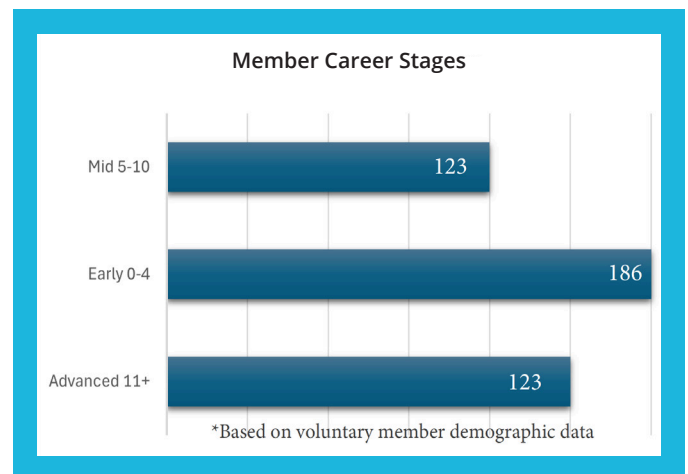

WHO IS CSE?

The Council of Science Editors (CSE) is an international membership organization for editorial professionals who work on publications in the physical and life sciences, as well as the humanities. Our purpose is to serve our more-than 700 members in the scientific publishing, information science and scientific communities by fostering networking, education, discussion, and exchange. Our aim is to be an authoritative resource on current and emerging issues in the communication of scientific information.

WHO ARE OUR MEMBERS?

*Demographics are not required in CSE member profiles. The data represents those members who chose to report their titles.

VISION STATEMENT

To be indispensable in the communication of science.

MISSION STATEMENT

To serve editorial professionals in the sciences by providing a network for career development, education, and resources for best practices.

Communicating Science for a Sustainable Future.

The Council of Science Editors offers a diverse and robust program for its in-person annual meeting, demonstrating the strength of the industry and the many opportunities it has to offer. Attendance ranges 200-400. Before the annual meeting begins, take advantage of the popular CSE short courses. All attendees can choose from more than 20 breakout sessions, view educational and commercial posters, and interact with exhibitors and sponsors in the exhibit hall. With ample opportunities to network with colleagues across all areas of scholarly publishing, this is a must-attend event for anyone within the industry.

All sponsors and exhibitors have full access to all attendee events and sessions.

PARTNERSHIP OPPORTUNITIES

Are you interested in becoming a sponsor of the Council of Science Editors? We are also happy to create custom packages that meet your budgetary and marketing goals. Review the opportunities within this prospectus and let us know what you're interested in! We're looking forward to working with you. Questions? Reach out to: CSE@councilscienceeditors.org.

ATTENDANCE: 200-250 – The Virtual Fall Symposium offers two days of in-depth explorations from key opinion leaders of critical and timely topics in our field, combining hands-on learning with a chance to interact with your scholarly publishing friends and colleagues.

Send employees to the Virtual Fall Symposium free of charge in exchange for sponsoring the event. The three sponsorship levels are:

 \$5,000 – 75 employees
(a savings of nearly \$19,000*)

 4,000 – 60 employees
(a savings of over \$15,000*)

 \$3,000 – 50 employees
(a savings of nearly \$13,000*)

*Based on nonmember individual pricing.

Regardless of which option you choose, your sponsorship would also include:

- The chance to play a short video ahead of a session
- Your organization's logo on all communications about the meeting (social media, email, promotion on CSE website)
- Special mention at the start of every session by the moderator
- One-page promotion of all sponsors in *Science Editor*
- One post on LinkedIn from CSE thanking your organization for its support
- Your organization's logo on the start slide for every session
- Help with internal messaging to your employees about the event (for example, writing a blurb for you to send to your team to generate interest in registering for the event)
